WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., THURSDAY, FEBRUARY 9, 1905.

ONE COPY—ONE CENT.

## POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Next Tuesday is St. Valentine's Day.

Mr. Gordon Sulser is ill with the grip.

See the candy floss machine in operation the balance of this week at Traxel's.

Mr. W. A. Marshall, bookkeeper for the M. C. Russell Company, is laid up with a bone felon.

Collins's Hinch and Feed Stable. Feed 25 cents. GILBERT COLLINS, Second Street Extension.

King Willett, the clever and high-class mixologist at the Central Hotel, had the misfortune to cut his hand in a very severe manner yesterday.

The vote in this district in The Commercial Tribune's European tour contest stands 5,739 for Miss Birdie Walsh of this city and 3,374 for Miss Hattie B. Ebron.

At a meeting held recently it was decided to continue the Ohio River and Columbus Railroad from Ripley to Aberdeen, and work will begin as soon as the weather moderates.

February 15th we will positively give the Diamond Ring away. We will continue to give tickets to those who pay their accounts until this date; also with every \$ cash purchase.

MURPHY, the Jeweler.

The Union Trust Company has been appointed by the County Court guardian of Mamie and Sarah Jane Wilson, minors. One of the children is said to have been abducted and taken to Bath county some time ago. It is the intention to place them in the Orphans Home at Shelbyville.

Patrons of the Maysville Water Company are warned to be more economical in the use of water. On account of the severe weather and many of the fixtures being out of order, the careless waste of water within the past few days is endangering the safety of city property in case of fire.

COOPER—PLUMMER.

A quiet little wedding, smacking somewhat of a romance, took place in the parlor of the Central Hotel last evening.

The contracting parties were Mr. S. R. Cooper, a well-to-do young farmer, who has already a cozy home and ample acres of Fleming county land, and Miss Minnie M. Plummer, one of the fairest of the fair maidens of Fleming.

The young lady has been visiting relatives in Indianapolis for some time. Whether the gallant swain stood in fear of losing his enamored to a Hoosier lover, deponent sayeth not, but however that may be, he telegraphed her to meet him in this city, and last night Rev. J. C. Molloy went through the ceremony that made two souls with but a single thought, two hearts that beat as one—or something to that effect.

Immediately after the ceremony they left for their Fleming home, where it is to be hoped they will ever be happy.

## A GOOD MAN

On dit, that the capital stock of Mitchell, Finch & Co.'s Bank is to be increased by an additional \$10,000 and that Congressman J. N. Kehoe is to become President of the banking institution.

## A FORTUNATE DISCOVERY

Prevented a Conflagration and a Big Monetary Loss Tuesday

Tuesday morning an incipient fire was discovered in the third story of the Traxel Confectionery establishment and only by prompt and energetic action was the blaze extinguished before it had gained full headway.

A spark from a grate set fire to a bed, burning the bed clothing and doing considerable other damage before it was extinguished.

This establishment has been recently remodeled at a great expenditure of money and had the fire gotten beyond control the monetary loss would have been considerable.

## Delico Sugar Wafers

Something new, something nice, and sell at the popular price of 10c a package.

J. H. McCarty, upholsterer.

Miss Louise Sproemberg, who has been confined to her room the past three days, being threatened with quinsy, is some better this morning.

An inquiring friend wants to know what kind of a day was Wednesday, February 8th, 1905. It's not in THE LEDGER'S lexicon. Perhaps Rev. Peter Vinegar might furnish the lurid information.

WHETHER the Burley Tobacco Trust succeeds or fizzles, it is evident that President HAWKINS has several robust guesses coming his way.

UP at Lexington they arrest business men who do not have the snow and ice removed from their sidewalks. In Maysville—well, it's different.

It's been about forty-eight hours since President HAWKINS has issued his daily proclamation that everything was "fixed," and that the Burley Tobacco Growers' Association was a success.

In the desire to "advertise" that city, Louisville goes THE LEDGER one better. A short time since I suggested that she do away with her daily murder habit; and now she comes to the front with double killings.

NEVER mind the weather; you'll appreciate the sunshine all the more when it does come.

If the Kentucky Legislature doesn't get a hump on itself, the Burley Growers Association will beat it to it yet.

THE Ohio man has fallen down at last. Of the \$10,000,000 embezzled in the United States in 1904, Ohio comes fourth in the list, with a measley \$830,208.

MISTER BRISTOW, late Czar of the Fourth Assistant Postmaster General's Office, arbitrarily discontinued the Postoffice at Hitt, Robertson county, in spite of the protest of more than two hundred patrons of the office. Now that he is shorn of power, the Department is undoing much of his petty meanness.

On, yes; the Railroads injure Maysville; the Streetcars are no good; and the Telephone is a nuisance. So says the chronic "knocker." But, with the river frozen, the streets a glare of ice and many people unable to get out of doors, please tell me how you would get provisions and coal, get to your place of business, or communicate with your neighbors—now, how would you get along without the Railroads, the Streetcars and the Telephone?

### ANOTHER LARGE AUDIENCE

Notwithstanding the Weather, Many Attended Last Night

Despite the very rough weather last night, Doctor Ely preached to a very fine audience. Over 120 men were present and gave excellent attention.

The slippery pavements and streets were certainly a test, but many braved the danger and were repaid by hearing a very earnest sermon full of good thoughts from the text, "For if we have died with Christ, we shall also live with him."

Dr. Ely said that life is a continual dying to some thing to live to another. "We die to sin to live to righteousness; we die to a bad habit to live to a better one; we die to one plain of living to live upon a higher plain. Christ our Savior stands with us in the temptation and asks us to step up higher. Satan tempted him at every point but Jesus met him and taught us that we should not live upon the low bread-making plain absorbed in the business and affairs of the world to the exclusion of righteousness.

"We should step up higher. In the second temptation we are taught that we should not be ambitious to 'show off' or get ahead of some one else. We should do our duty and get upon the higher plain of unselfishness. Thus in this sense the true character is developed and disciplined through this daily dying and self-denying, and ascends from the lower to the higher realm of living; just as the traveler on the train passes through the great tunnel through the mountain in Switzerland, going higher and higher from one dark place successively out into the light until the height is reached."

At the beginning of the service Miss Wadsworth sang a very touching solo.

GLOOMY OUTLOOK

Prospects for the Burley Tobacco Deal Seem Very Slight

The prospects of successfully closing the \$10,000,000 tobacco deal seem to become remote, as the committee of Eastern capitalists imposes new conditions from day to day, and it is reluctantly admitted in tobacco circles that the interested parties were as far apart as they had been a week ago.

Archibald Stuart, who represented the Burley Tobacco Growers' Association in the New York negotiations, arrived in Cincinnati yesterday, accompanied by representatives of the New York financial interests, who brought with them the new conditions to be imposed. While conferences will be held, it is now generally conceded that the outlook seems somewhat gloomy.

Mr. Stuart is quoted as having said that the combine interests in New York City have been at work with a view to discouraging the loan. This brings up the speculation upon the peculiar attitude which the tobacco combine has taken in the present tobacco war.

The dominant figures in the Tobacco Trust today are John D. Rockefeller and the Standard Oil interests. The same interests dominate the National City Bank of New York and all the lesser lights in the financial world of Gotham. That they could bring enough pressure to bear to discourage any financial enterprise is conceded in financial circles, and that they have exerted a secret influence to lead to the gradual failure of the present venture is being freely charged in tobacco circles.

It is also admitted that but \$8,000,000 of the original \$10,000,000 still stood ready to stand by the original contract, and that the difficulties which confronted the representatives of the Association included the one of still raising the required additional \$2,000,000.

If Constipated, Do This.

This offer may not appear again. There is no catch about it. If Mull's Grape Tonic does not positively cure Constipation you are out nothing, as you may have the first bottle free. If it cures, which it will, tell others: that is all we ask. No remedy has ever before been known to cure Constipation permanently. Mull's Grape Tonic is not a physic. It is unlike anything you have ever used. It cures Constipation. If it did not this offer would rain us. The process is gradual but sure. You know from your own experience that physics, like Pills, Salts, Castor Oil, Mineral Waters, Injections, etc., make you worse. Where can Mull's Grape Tonic be had? Your Druggist sells it. The \$1 bottle contains nearly three times the 50-cent size, but if you will write today to Mull's Grape Tonic Co., 317 Third Avenue, Rock Island, Ill., and give Druggist's name, you will receive the first bottle free with full instructions. This gives us a chance to prove to you at our expense that it is a wonderful remedy and places you under no obligation to invest a penny. Only tell your friends about it.

My last invoice of these Extra Fancy Open Kettle Molasses just in. They go at the surprisingly low price of 45c. The quality can't be beat. My fine Blended Coffee are the talk of the town. They still go at 15c, 20c and 25c. No money in them to me at the prices, but they are snaps for you. FINEST TEAS bought directly from the importers. Can't be equalled in Maysville, either in price or quality. PERFECT FLOUR always gives satisfaction. If you want the best at all times don't buy any other brand. You know I would not sell it and recommend it for sixteen years continuously if it was not what I claim for it—always the best. Those extra fine fall-cut MACKEREL are going like hot cakes just like I recommend them to be—the finest that can be bought. Remember, I guarantee everything I sell to be just as recommended. If I sell you an article is the best, and you find it is not, return it and get your money back. At the extremely low prices I have named on these goods I must ask my customers to pay cash when they wish to take advantage of the prices.

**"There Isn't One Really Good Printer in Five Hundred."**

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it.

HAVE THE DAVIS PRINTING HOUSE PRINT IT.  
PUBLIC LEDGER BUILDING.

**THE LEDGER leads in all, and is the favorite paper of the people.**

**ORANGEBURG.**

Miss Leticia Chinn of Mayslick is the guest of the family of David Dickson.

Katherine, the little daughter of Ah Bramel, has been quite sick with pneumonia.

Charles Calvert, who has been very ill for some days, is reported improving slowly.

Mrs. A. W. Bramel of Mt. Gilead spent several days with Orangeburg friends last week.

Mr. Frank Kennan, one of our aged and highly respected citizens, has been disabled of rheumatism for several weeks.

Rev. Johnson is conducting a protracted service at the M. E. Church, which has been well attended, despite cold weather and icy roads.

Mr. H. E. Gardener of Hillsboro, Fleming county, and Mrs. Hetty Politt of Orangeburg were quietly married at the residence of Dr. Bain on Sunday afternoon, Rev. Gardener of the M. E. Church performing the ceremony.

The tax levy at Flemingsburg this year will be 60 cents on the \$100.

Mr. E. P. Ewing has been elected President of the Blue Ribbon Fair Company of Ewing.

Miss Edith Eisman, Mr. Sidney Eisman, Mr. and Mrs. A. Mayer, who were guests at the Frankenberg-Davis wedding, have returned to Portsmouth. Mr. and Mrs. Leon Eisman went from Maysville to Cincinnati to spend a few days and Mr. and Mrs. Isaac Levi will remain on a visit here for two weeks.

**Circuit Court.**

In the Circuit Court yesterday a bench warrant was issued for Ben White, who is wanted on a forgery charge.

The case of Richard Watkins, Jr., et al, for breaking into a C. and O. freight car, was continued until next term of Court.

A bench warrant was issued for John Maher for malicious cutting.

In the case of Elzie Huron for cutting Tom Neal with intent to kill, the Jury brought in a verdict of guilty and fixed his punishment at 12 months confinement in the County Jail with a penalty of hard labor attached.

For the first time in the history of the Mason Circuit Court a Grand Jurymen was incarcerated in the County Jail by order of the presiding Judge for drunkenness yesterday.

For the past two days Pat Walton has partaken of the liquid that biteth like a serpent and stingeth like an adder to such an extent that he became a nuisance to the rest of his brethren of the Jury and he was reported to Judge Harbeson, who ordered him to Jail.

What the Judge will do to Pat today in the way of a trouncing lecture will be a plenty, as Webster is wont to say.

The printed copies of the Rivers and Harbors Bill as reported to Congress show \$20,000 allotted for the completion of the ice pier on the Ohio at this point and \$40,000 for work at the mouth of the Big Sandy river. The appropriations were placed in the bill through the request of Representative Kehoe, who had early in the present Congress introduced bills carrying appropriations for these projects.

Just received, a carload of two and three-ply

**GONE FOR GOOD.**

No Reason For Any Maysville Sufferer to Fear the Return of It.

How often the pain returns to the aching back when you think you are well rid of it. No fear of such a return after using Doan's Kidney Pills. They make bad backs well and weak backs strong and keep them so. The testimony of Maysville people proves this claim a fact. You can readily ratify such fact by the following:

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:  
"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of back-ache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciates the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with back-ache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
